**Co-operative Research Programme:
Biological Resource Management for Sustainable
Agricultural Systems**

Call for Applications for Funding in 2019:

International Conference Sponsorship | Individual Travel Bursary Fellowship Awards

Are you working on the productivity, sustainability and resilience of agricultural production or food systems?

Does the application of new genetic technologies, big data, AI, block chain and the digital economy in agriculture, fisheries, forestry and food systems excite you? Or exploring policy instruments to encourage their take up?

Does the future of livestock and meat production fascinate you? Or the sustainability of fisheries and aquaculture, including their economic and social dimensions?

Are you concerned about the changing biodiversity and ecosystem services supporting the productivity of agricultural ecosystems?

How about the impacts of invasive species and climate change on global food production and trade?

Would you like to...

- Visit a lab in another country to establish new collaborative links?
- Expand your research through a short stay in a foreign country?
- Start an international research network?

Or

- Are you organising an international conference or workshop?
- Need some financial help?

If so, you may be interested in applying for an OECD Co-operative Research Programme (CRP) fellowship award or international conference sponsorship.

These are just some of the issues covered by the CRP and relevant to the programmes of work of the OECD's Committee for Agriculture and Fisheries Committee over the next two years.

If you are working on any of the CRP priority areas of research, grouped under the three research themes below, we would welcome an application from you.

I. Managing Natural Capital for the Future
II. Managing Risks in a Connected World
III. Transformational Technologies and Innovation

All the information about the fellowship awards and international conference sponsorship, together with the applications forms are on the Application page of the CRP website.

Or contact the CRP Secretariat directly: TAD/PROG@oecd.org.

Closing date for Applications: Midnight, CET, 10 September 2018
